[MEDIUM] Missing Rate Limiting

/tmp/testforge-repos/dclaw-finance-1780139710898/package.json:1

Fix: Install express-rate-limit, @fastify/rate-limit, or roll a Redis-backed limiter.

Vision & Alignment: 81/100

Product-engineering vision signals look strong: observability + analytics + feature flags wired up.

Stack Analysis: 39/100

-  Add a testing framework immediately
-  Consider TypeScript migration
-  Review dependencies monthly for security updates
-  Ensure database backups are automated
-  Add a runtime validation library at the request boundary
